

PRESS RELEASE:

Indaba - MAY 2010

Solenta Aviation, Zimbabwe

Solenta Aviation, Zimbabwe (Federal Air partners in Zimbabwe) is pleased to announce their continued commitment to Air Shuttle Services by the introduction of two new routes, between Victoria Falls, Hwange National Park, Bumi Hills, and Harare, Kariba, Bumi Hills.

Rekindle the spirit of Zimbabwe and enjoy the magnificence of Victoria Falls, the splendour of Lake Kariba and the lower Zambezi river area, with the peace of mind that your travel plans are guaranteed. Solenta Aviation Zimbabwe will base a Cessna Grand Caravan at Bumi Hills from early June 2010. Operating three times a week between Bumi Hills, Victoria Falls and Harare, passengers can now enjoy a safe, efficient and reliable passenger service to these unique destinations.

“We are thrilled to have additional access from Victoria Falls and Harare to Bumi Hills. This will allow us to grow both our regional and international markets to this area and we look forward to marketing the various route options into Bumi, together with Solenta Aviation”, says Glenn Stutchbury, MD of Africa Albida Tourism.

Federal Air, an internationally recognized air service provider with over 20 years experience in Air Shuttle services across Africa, will continue to be the international GSA for Solenta Aviation Zimbabwe’s Shuttle Service.

For more information and online booking, visit www.fedair.com or email Zimbabwe@fedair.com. All Zimbabwe flights are operated by Solenta Aviation Ltd.

Package routes will be made available shortly via Africa Albida Tourism to all tour operators. Visit www.africaalbidatourism.com for further information on these properties.
